Dear Museum Members and Snowmobile Enthusiasts:

This past year was extremely successful for the Museum. The Annual Winter Event was a great success with many interesting sleds and lots of great people all joined together to share their love of snowmobiles. The Spring and Fall Swap Meets filled the field with sleds & parts of all makes and models. Many items changed hands and a few of us even managed to bring home that long sought after treasure to finish our projects.

The Museum Collection has grown by a few sleds and the up-keep and cleaning is ongoing. We are always looking for volunteers to help with the chore of dusting, sweeping, organizing, opening the museum on Saturdays, and helping with the general running of the museum.

This is also the time of year that we look for support from our loyal members and avid snowmobilers. Without contributions from enthusiast like yourself, we would be unable to preserve and promote the rich history of snowmobiling. As a member, you can feel the pleasure of knowing you have helped pay the insurance bill, propane bill, internet bill, and aided us in putting on quality events. If you are an avid user of the website or NHSMA Web Classifieds, feel free to contribute a little something extra to keep this valuable information source alive. Many members helped last year by donating a small amount each to keep the museum out of the red. Thanks to generous donations to the restoration fund, we were able to complete the restoration of the museum Model T Ford White Snowmobile. Thanks to all that contributed!!!

We look forward to seeing you at one of our great events - Winter Show - Spring Swap Meet - Fall Swap Meet.
