

New Hampshire Snowmobile Museum Association Announcement

May 14, 2025

Greetings Everybody,

The New Hampshire Snowmobile Museum regrettably announces due to an unfortunate winter season, the museum building has been compromised and is no longer stable to house our amazing vintage collection of snowmobiles, memorabilia, and reference documents.

The building that the Snowmobile Museum occupies was originally constructed in 1935 by the Civilian Conservation Corps. (CCC). The building was built as a temporary structure that has deteriorated over 90 years. It has been assessed by the Department of Natural & Cultural Resources (DNCR) that the **building cannot be saved and will be razed.**

The museum will need to remove all vintage sleds, memorabilia, and reference documents from the building before winter 2025. Currently, the museum does not have a location to move the collection to. The DNCR is trying to assist, but does not have any buildings available to use as a museum or to store the collection.

The museum is in the preliminary stages of working through current needs. Ultimately, we are looking for a new building. We need a facility or containers/trailers to store the collection, keeping as much of the collection together as possible (100+ sleds). We will need volunteers to help move and transport. We are anticipating the move will be towards the fall or sooner. We will be incurring unexpected expenses; monetary donations are welcome. Help us get the word out, we need 'snow angels' who can help us in all aspects of our needs.

We thank you for your consideration during this time of turmoil for the museum. If you can help contribute in any way to the museum, please reach out by email: NHSnowmobilemuseum@outlook.com

Best Regards,
NHSMA Board of Directors

UPCOMING EVENTS:

Jun 3 - Annual Meeting 530pm@Moe Joe's Family Restaurant 2175 Candia Rd Manchester **PLEASE JOIN US TO TALK ABOUT OUR FUTURE**

Jun 7 - Spring Swap fundraising will still be held at the museum field, entry to the building will not be permitted
